

Funeral Services For Late Vance J. McNair

Last Rites Attended By Large Gathering at the Holy Family Church

Funeral services were held on Saturday morning last, at 10:30, in Holy Family Church, Delia, for the late Vance J. McNair, with Rev. Father Harneff officiating. The obsequies were largely attended by people from far and near to pay their last respects to the memory of deceased. Upwards of ninety cars were in the cortege to Delia Cemetery, where interment took place.

As reported last week, the deceased met with his death while driving home with a tractor, following some repairs to it by H. Balf in Delia, the fatality occurring on the road one mile north of G. E. Hewson's farm. Deceased was reputed to be an expert driver of a vehicle, and it is surmised he must have let go of the steering wheel for a brief moment to light a cigarette—an unlighted one having been found on the ground at the scene of the accident. Finding the tractor leaving the road, it is thought he must have grabbed the steering wheel and gave it a sharp turn, with the result that this overturned the tractor into the ditch. It happened so suddenly that the unfortunate man was unable to jump clear, and the tank of the tractor striking him in the forehead, and killing him instantly.

Deceased was a veteran of the First Great War, and had farmed in the Sentinel Hill district ever since. He had served on the old Municipal District Council of Lambton in Ward 6 for a num-

ber of years, and was Reeve for two years. He was a member of the Canadian Legion, and also of the Elks, a Drummer. Officials of these two organizations attended the funeral, viz., Messrs. E. Williams, president of the Legion, and L. E. DeForest, Mr. J. McBride, secretary, represented the Elks.

The late Mr. McNair was born at Nash Creek, New Brunswick, a little over 47 years ago, and is survived by his wife, one son and one daughter. The son is serving in the Air Force. Also a brother, Alex., of Vancouver, and one sister, Mrs. McInnes, of Prince Albert, Sask.

Services were conducted at the residence by Rev. Father Harneff, and also by members of the Canadian Legion. Com. L. G. DeForest sounded the Last Post.

Palbearers were—Messrs. H. Balf, Art. Caron, H. McInnes, Karl Bond, Vere Kidson, and E. L. Long.

Floral tributes were numerous and beautiful.

Sincere sympathy is extended to the widow and family in their sad bereavement.

Winters' Funeral Home, of Drumheller, had charge of arrangements.

Wedding Bells

BRINKMAN—THOMPSON

A very pretty wedding ceremony was performed at the home of Rev. and Mrs. Taylor on Saturday afternoon, September 30, at four o'clock, when Robert Joyce Thompson, third daughter of Mr. and Mrs. Glenn Thompson of Crainville, became the bride of Alfred Theodore Brinkman, only son of Mr. and Mrs. Harry Brinkman, also of Crainville. Only the immediate families of the bride and groom were in attendance.

The bride wore a dress of pink chiffon, which had been her graduation dress when she graduated from the Calgary Normal School in June. At her shoulder she wore a spray of cream and white gladioli.

After the ceremony the bridal party were delightfully entertained at lunch by Mr. and Mrs. Taylor.

The bride and groom left for short trip by motor, their ultimate destination being the school where the bride will take up her position as teacher in Drumheller Division, the groom returning to his harvesting operations.

Ottawa, Week by Week

(By BEAN WILSON)

Canada's Greatest Assets

With general opinion-wide interest growing rapidly in Canada to improve health services, both preventative and curative, and in remote areas as well as low income classes, so that there is a rising tide of opinion that the best use should be made of this country's "greatest assets" it must be indicated that reflections of such opinion in activities in Ottawa concerning health insurance plans could not be confused with state medicine. In other words, it is most important now that state health insurance should not be misinterpreted for state medicine, which is not involved. There is a vast difference between them, and the man-in-the-street across Canada should know it. State medicine, it has been said, is a system of subsidization in which the state provides medical services, and all practitioners are employed directly by the state. State health insurance,

which is usually a contributory health and sickness insurance, is a non-profit, state supervised organization administered by a commission and supported by regular contributions as well as governmental aid when necessary, being generally competitive and co-operative. Furthermore, it can be stated that an expert on such health matters had stressed that any plan for health insurance should be supplemented by a programme to secure better nutrition, better housing, and better conditions along with it to develop a high degree of physical fitness throughout the nation.

Tremendous Developments

It may not have been fully recognized by the man-in-the-street throughout this country on account of the intense excitement of other news, but it is now back-stage along Parliament Hill that a tremendous

Pool Elevators Reduce Grain Handling Charges

Charges of handling all grains have been substantially reduced by Alberta Pool Elevators.

This means, in effect, an increase in the prices of grain.

This policy will be retroactive to August 1st last.

See your Local Pool Agent.

Alberta Wheat Pool

Turkey Prices

Grade A young tom or young hen turkeys now sell wholesale at 39¢ cents per pound on Alberta market until November 1, says the Wartime Prices and Trade Board.

Old hen turkeys are under the maximum of 39¢ cents per pound and old toms 38¢ cents per pound.

Ungraded poultry is governed by the Grade B maximum wholesale price. Wholesale prices must be observed by farmers selling to retailers. Farmers selling direct to consumers may sell up to seven cents per pound in the wholesale price.

Triple Farewell Party

On Wednesday afternoon, October 11th, a triple farewell party was held at the home of Mr. and Mrs. Clifford Friesley.

Mr. and Mrs. Frank Lomas are going to farm near Calgary, Mr. and Mrs. Clifford Friesley at Okotoks, and Mr. and Mrs. W. G. Sweet retiring to B.C. Over fifty guests were present.

A musical program was arranged by Mrs. Johnnie Wilson. Community singing, and a toast by Mrs. Clifford and Mrs. E. Colton.

Mrs. Gus Long accepted the various gifts to each party, and Mrs. Sweet gave an amusing speech about the good old times.

A lovely luncheon was served by the carbon hostesses, the party ending by singing the National Anthem, and Mrs. Lomas singing the Marine's Hymn. Mrs. Johnnie Wilson was convener.

RADIO

The following are among the high light of programs to be heard over CBC stations on Thursday, Friday, Saturday and Sunday, October 12, 13 and 14. All time mentioned are Mountain Daylight Time.

A Victory Bond is a mortgage on Canada... all of this country's resources guarantee payment of principal and interest. And every Canadian can save and lend... more than ever before. Money is a vital weapon. Canada needs every dollar that the war increases in intensity. Canada's need for money is the war's need for money. As the war increases in intensity, Canada's need for money increases, too. Our country's all-over borrowing needs are increased by over three hundred and twenty million dollars at this time. We must each be ready to lend again, and to lend more.

Thousands of small grains make a bushel of wheat. So with the money that Canada must borrow, from Canadians, to pay for the war small sums loaned by individuals mount up to billions. Lend all you can... money you have saved and money you can save... but do not think that small loans are unimportant. Put your savings into mortgages on Canada—marketable mortgages. You will be doing a worthwhile war job... and you will get your money back... with interest.

which began somewhere in the Bahamas, ravaged areas of the United States, and perhaps touched lightly our own Eastern seaboard, but the vanished harmlessly. In this part of the world we do not have cyclone

real importance. We do not have poisonous snakes or ravening beasts nor plagues nor pestilence, nor famine. The troubles we have are generally of our own making.

made. Farmers turned a sod that required a hundred years to make, and should never have been touched by a plow. It was a natural pasture land, and had it been preserved the tribulations of parts of the Canadian West

would be, without question, the greatest country in the world if our own wisdom equalled Nature's kindness toward us.—J. V. McAree in Toronto Globe and Mail.

Exchange Of News

Czechoslovakia Lacked A Free Press
Before The War

Czechoslovakia fell to the Nazis

the free exchange of news with other nations, President Edward Benes of that country told Hugh Baillie, president of the United Press, during a conversation in London.

Czechoslovakia, when liberated, would restore freedom of the press and

"Definitely and positively," the Czechoslovak president replied. "My country will be a leader among the nations insisting on a free press and radio to keep the people informed about world events and outside influences."

Recalling the days preceding Munich when Czechoslovakia was being taken over by the Germans, Benes said:

gogues was substituted for facts and the people were denied the truth. Free people must have an independent press. They must be kept informed honestly and fearlessly.

Baillie outlined the United Press' 37-year-old policy of sending independent correspondents to the source

He told Benes that as early as 1912 when it was first invited, the United Press had declined to join any inter-

Benes recalled that before Munich the United Press had served the newspaper in his country. Baillie told him that six Czechoslovak newspapers had been served by U.P. but that the papers lost this source of

...ceased news since the Germans occupied the country because the U.P. was then prohibited by the Nazis from serving any Czechoslovak publications and they were forced to rely exclusively on the official German

Benes agreed with the U.P. president's statement that a war of ideas and ideals is being fought today and that people to govern themselves

New Control
Over The Operation Of Trucks Has
Been Announced

The control over the operation of trucks passed from the Administra-

Trade Board, to the transit controller, and the Wartime Industries Control Board, it was announced at Ottawa in a joint statement by the W.P.T.B. and the Department of Munitions and Supply.

All permits, directives and instructions already issued will continue in force, the statement said, until otherwise ordered by the transit controller.

Some price control matters will continue under the Administrator of Services, W.P.T.B., who will also continue to administer certain specific orders relating to retail and wholesale deliveries.
